The Restoration Advisory Board (RAB) is an advisory group of community members who meet bimonthly. RAB meetings provide an opportunity for two-way communication between the local community and the U.S. and Puerto Rican government agencies that are participating in the environmental cleanup.

The RAB is looking for more community members who live in Naguabo, Fajardo or Ceiba. You are invited to attend the meeting, to find out if you are interested in joining the RAB. The public is always welcome at RAB meetings.

We hope to see you there!
